

eliza neals

A passionate live singer/songwriter emerging from Detroit, MI. Eliza has opened up for George Clinton, played as a guest pianist for Earl Klugh and sang live with Detroit's own Kid Rock. After her first release "Im Waiting" a regionally sold out album, she is back to hook you on 'liquorfoot'!

Eliza has taken her talents above the 'next level' by collaborating with kick-ass artists and producers of international notoriety. Legendary Motown songwriter Barrett Strong ("I heard it Through The Grapevine") and Louis Resto (Academy Award winning producer for Eminem) have worked with Eliza to develop a sometimes sweet yet gritty Rock n' Soul sound on her latest album "liquorfoot." "Liquorfoot" rocked it's way into the Village Voice's "eddytor's dozen," Jan 2006. Acknowledged by BMI NYC, Eliza headlined their exclusive "Songwriters in Residence" at the Rockwood Music Hall in Feb 2006. Nominated by her peers for a Detroit Music Award in May 2006 for "Best Video." Unsigned Music Mag. gives 'liquorfoot' 4-1/2 Stars 6/06
